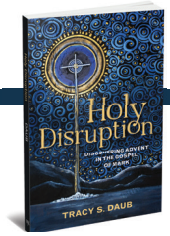
Print copies of the **Daily Scripture Reading Guide** to have available so congregants can read the full Gospel of Mark during Advent.

SMALL-GROUP STUDY

Whether in a small group that meets year-round or a specially formed Advent Bible study group, leaders can use the **Small-Group Study Guide PDF** to facilitate conversation around the book. Use the **title slides** to announce the week's theme and the daily readings it will cover, and to invite people to join your group and spark conversation before the scheduled gathering. The **quotation images** can be used to focus your group at the beginning of the meeting or as a closing to the session. **Question slides** display each of the questions suggested in the study



and allow participants to read the question on-screen in virtual meeting spaces or socially distanced small-group gatherings.
