Max looked at his math.
The numbers jumbled and tumbled.
Some ran away.
Max wished he could too.

Worry nibbled Max's fingernails.
"That looks hard," said Worry.

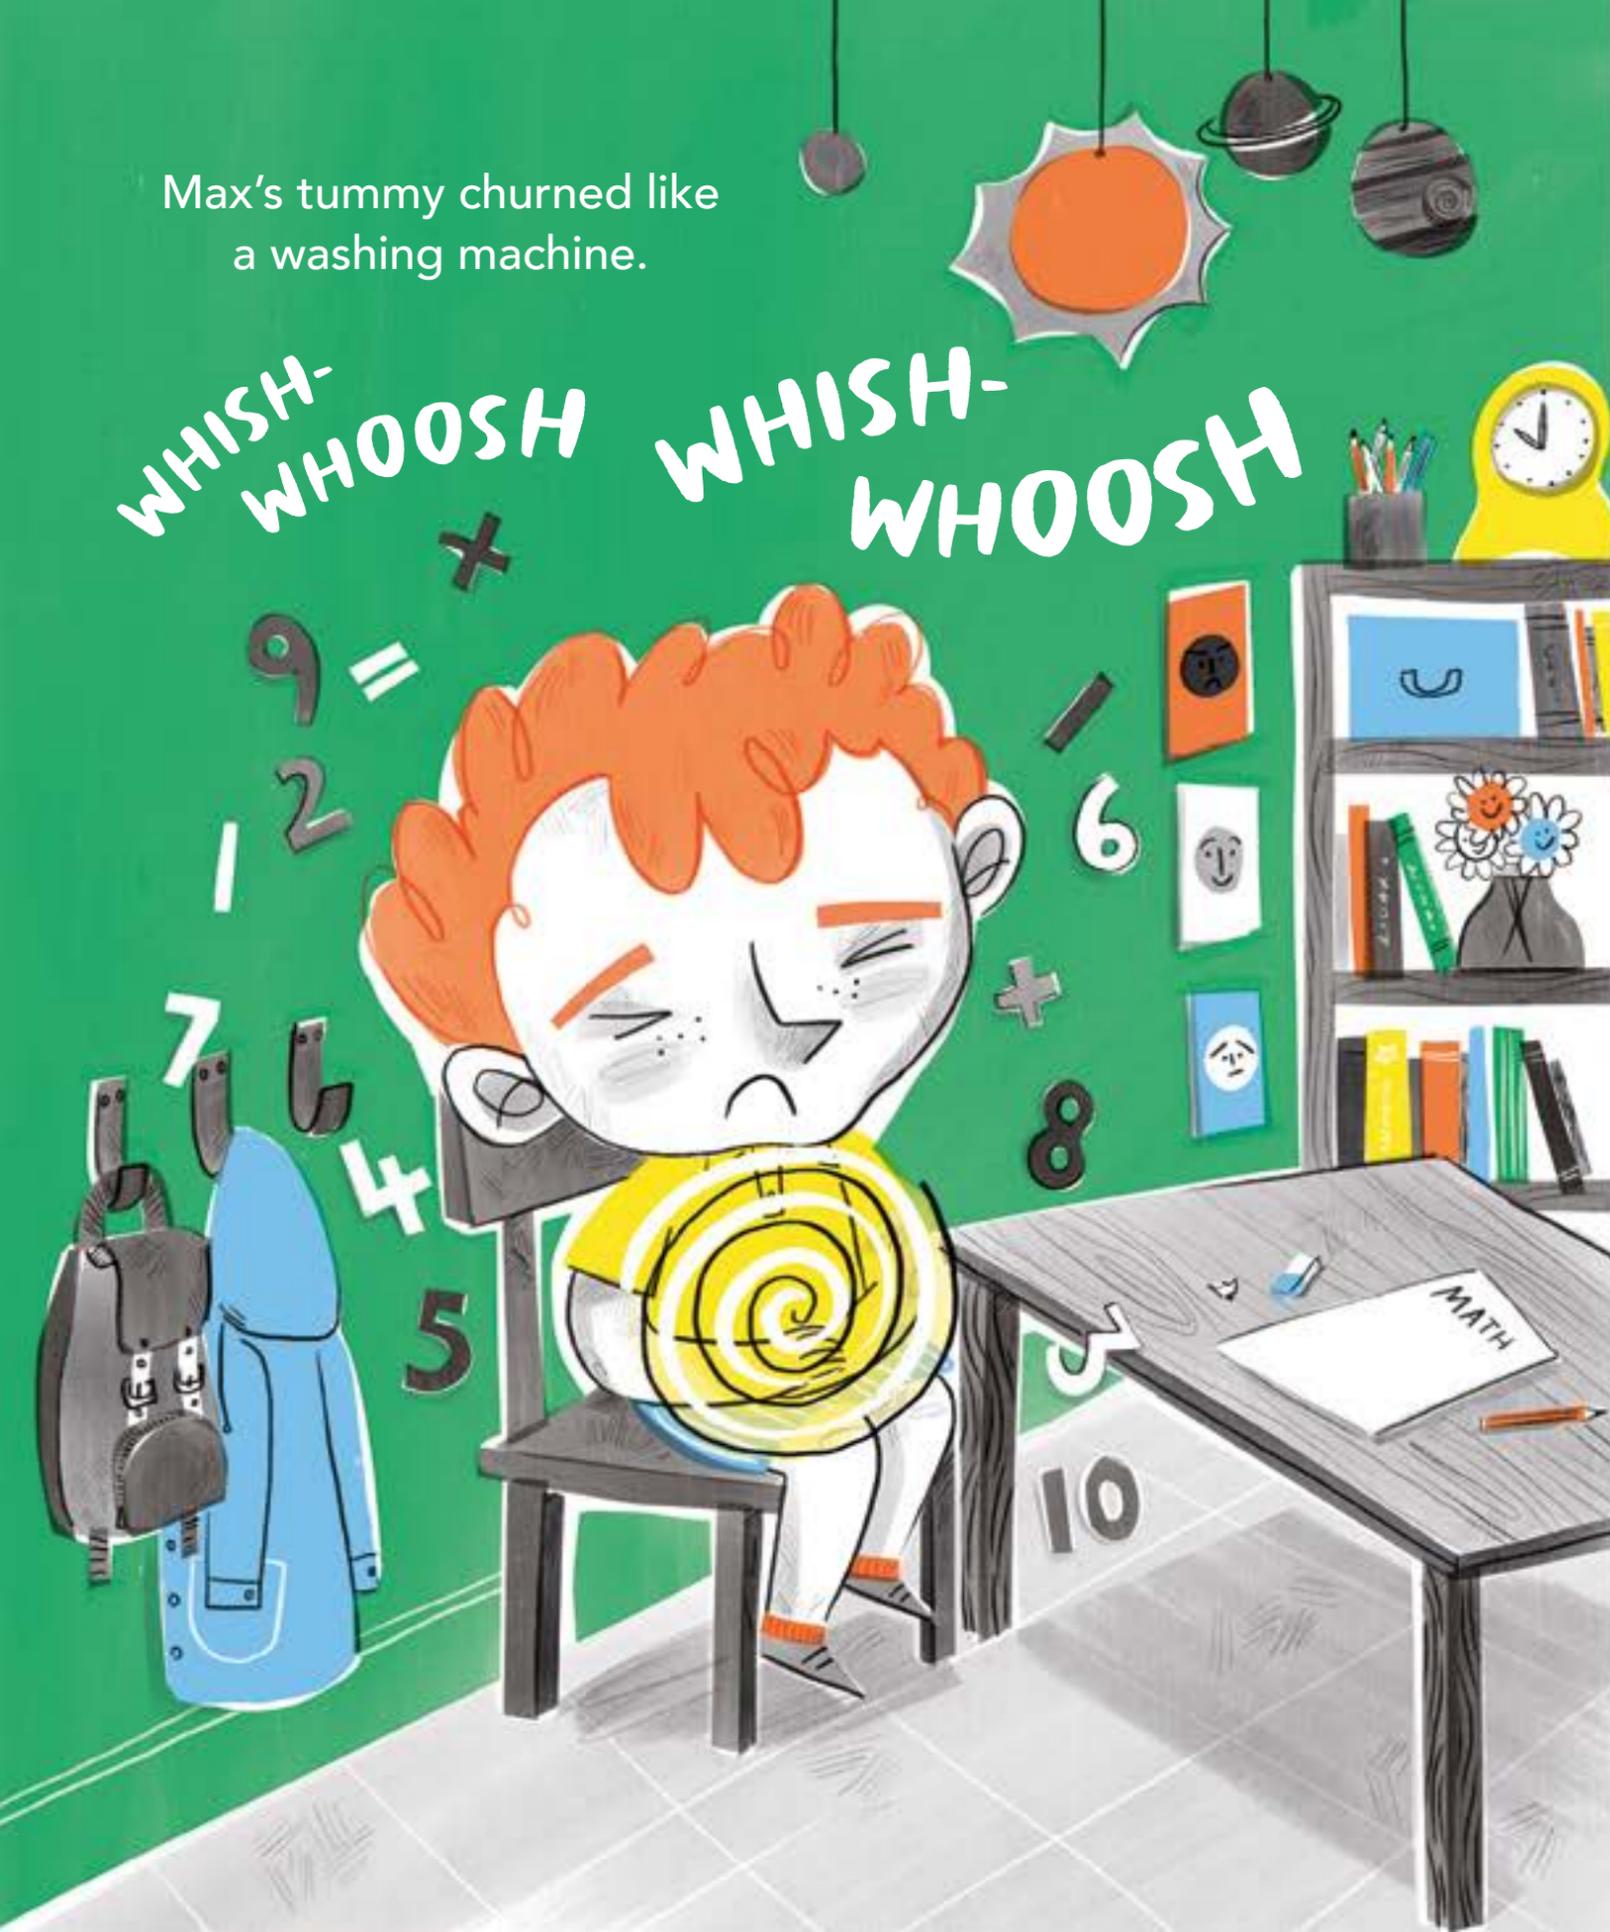

"Or get EVERYTHING wrong?"

Max's tummy churned like a washing machine.

WHISH-
WHOOSH WHISH-
WHOOSH

"I have to write something," said Max.

"It's a risk," said Worry.

Max scribbled.

"Is that a seven?
Or a chicken?"
asked Worry.

Max crossed it out.

"This is impossible!"
said Worry.

"The teacher's coming.
No one can see this!"
said Worry.

Max slid under the desk.
